

Tiger Sharks Competitive Swim Team

**The sign-up night for the Tiger Sharks Swim Team is coming soon!
Masks are required!**

Tiger Sharks Swim Team accepts swimmers from five to fifteen years of age. You do not have to be a Fort Gibson student to swim with Tiger Sharks. To qualify for the team, you must already know how to swim. Sign-ups for Tiger Sharks will be held on **Monday, October 26** at the high school pool from 6:30 p.m. until 8:00 p.m. Everyone will be expected to **wear a mask**. The cost for Tiger Sharks will be \$95.00 for the first child. If a family has a second child that swims, the cost will be \$65.00 for that child. If there is a third child (or more) in the same family that swims on the team, the cost will be \$35.00. In addition to the registration fee, there will be an additional cost for the team swimsuit that will be worn during meets. The boy's swimsuit cost will be \$15.00 and the girl's suit is \$19.00. All payments are due on the sign-up night. **Refunds are at our discretion!**

Tiger Sharks practices will be on Monday, Tuesday, and Thursday nights, unless there is a high school swim meet or another conflicting event. The five to ten-year-old swimmers practice from 6:00 until 7:15. The eleven to fifteen-year-old swimmers practice from 7:30 until 9:00. The first practice will be **Monday, November 2**. The team trains from November through February. Meets begin in January and run until the end of February. Due to COVID-19, Tulsa Parks and Recreation have stated they will not host a league, but we are watching daily to see if this will change. We will host our meets with our team (and potentially invite other local youth teams) competing against one another if this remains their status. If the meets take place they will be held on Monday nights. Masks and temperature checks will be required for everyone who enters the pool facility (athletes may take them off **ONLY** when they are getting in the water or a coach allows them) and parents/guardians will be expected to wear masks if they attend practices or meets. If a child or parent runs a fever when their temperature is checked, they are not to return to practice for **48 hours** after the check. **If a parent or child involved with the program tests positive for COVID-19, we are to be informed immediately.**
